

## Safety in the Office!

- ▶ If you see someone in your work area that shouldn't be there, ask politely if you can help; then notify a supervisor.
- ▶ To deter theft, avoid leaving valuables unsecured or in plain sight.
- Avoid locking valuables in your desk for extended periods of time.
- ▶ If you work late, find a coworker or security quard to escort you to your car.
- ▶ Become familiar with your organization's model emergency plan.
- ▶ Above all, be aware of your surroundings at all times.
